Subject: Concern re Ravenswood Allocation

Importance: High

Dear Sir / Madam,

I am writing to raise our concern as a family with regards to the proposed 126 houses off Alensbourn Crescent in Ravenswood, Ipswich.

Access is a major problem for all Ravenswood residents as well as parking.

New roads in and out of Ravenswood are needed and more parking spaces should be provided before any other houses are built.

We strongly object to the proposal until at least access issues have been addressed.

Kind regards

Dr Bashar Shatta
